

I'm now the company expert
on Windows Vista.

And the owner of a free copy of
the 2007 Microsoft Office system.

Take Windows Vista training and get the
2007 Microsoft Office system for free.

Building your knowledge of Windows Vista® can help you become
a valued expert in your organization. And right now, for a limited
time only, Vista training can help you get even further ahead.

Because we are a Certified Partner for Learning Solutions (CPLS),
we're in a unique position to offer you the 2007 Microsoft® Office
system Enterprise Edition—a U.S. \$680 value—free when you take
our select Windows Vista courses.

Get more from your Vista training.

As a CPLS, only we can make you this valuable offer. Now
you can experience the power of the latest version of Office
and build your Vista expertise at the same time. To get
your free copy of the Microsoft Office system Enterprise
Edition, just take either of two select Vista courses: "Installing
and Configuring the Windows Vista Operating System" or
"Supporting Windows Vista Computers with Desktop Images
and Application Packages." Along with essential Windows
Vista skills and expertise, you'll gain your own personal copy
of the new Office release for free. Unlike trial versions that
can expire, this software is yours, for your individual use, for
as long as you wish.
